

# RECITAL PHOTOGRAPHY

Ruby Dance Company | Spring 2024

We are excited to offer professional photography for all of our classes performing in our annual spring recital! While this service is an optional purchase, we ask that all dancers participate in the class photo. Dancers are to be **"RECITAL READY"** for group photos: including full costume, hair, and required dance shoes. Light makeup (lipstick, blush, & mascara) is recommended but not required.

**Photo Week:** Queen Creek - 4/22 - 4/25/2024

Class pictures will be taken during a class' regularly scheduled day/time on the designated photo week. Group photos will be taken first, followed by individuals. Please arrive on time & ready to go so that this process runs smoothly.
